

## Last Minute Gift for Adrenaline Junkies

By Charlotte Jones on 23/12/2010

Still need to get that perfect present for that special someone... let's face it, they are always the hardest to buy for! However, this gift may not be lost. In fact, it's not too late to earn some brownie points by investing in a 51 Buckingham Gate Land Rover experience at Eastnor Castle. Ideal for adrenaline junkies the trip to the 4x4's official test track is guaranteed to set motoring enthusiasts' pulses racing!

The experience commences in the heart of St James', where guests are collected from 51 Buckingham Gate, and driven to a historic and beautiful Eastnor Castle, located in the Herefordshire countryside, to embark on a day of adventure. Accompanied by a Land Rover Experience Instructor, driving skills are pushed to the extreme across the Estate's 5000 acres, one of the largest road courses in the UK, featuring steep hills, temperamental terrain and mud-soaked tracks.

Once the exhilarating morning of motor sport is done, a gourmet picnic spread awaits in the 19th Century Castle's grounds, before heading back out for the afternoon to continue tackling the challenging terrain.

As the afternoon draws to a close, guests are driven back (at a much tamer pace!) to 51 Buckingham Gate, checking into a luxurious Junior Suite before enjoying a cocktail and canapé reception in the Library at 51. Before departure, guests are given a keepsake copy of 'Portraits of Adventure' - a sensational collection of images that embody the true spirit of adventure, produced to celebrate Land Rover's 60th Anniversary.

This gift is sure to win your loved one round this Christmas!

**Package starts from £610 for one night and includes: 1 night's accommodation for two adults in a Junior or one bedroom suite, English or Continental breakfast, transport to and from Eastnor Castle, lunch on castle view (supplement required for Quilon lunch), Land Rover experience and Portraits of Adventure book, complimentary evening cocktail and canapé reception in the Library at 51, complimentary use of sauna, steam rooms and fitness facilities.
