Where are you watching the Royal Wedding? If you are running out of inspiration (and most of London is booked up), you will be thrilled to know that you can be right next to Buckingham Palace and yet shielded from the madness at 51 Buckingham Gate.

Get the Royal treatment, complete with a butler to cater to their every whim and – the best bit – a horse drawn carriage ride around the royal wedding taking in the sights of Buckingham Palace and Westminster Abbey, as well as a visit to the Tower of London to see the Crown Jewels. Once you have taken in the sights, head back for champagne afternoon tea.

The below package of dreams is still up for grabs:

- 4 night's accommodation for two in a Junior suite or one bedroom suite
- English or continental breakfast
- Horse and carriage ride around the Royal Wedding route
- Tickets to the Tower of London
- Champagne afternoon tea
- Evening cocktail and canapés in the Library at 51

From £2,040 for four nights, based on two people sharing a suite.

If you have plans to avoid the wedding, you can still be part of it now that 51 Buckingham Gate Taj Suites & Residences is inviting guests and visitors to make donations to one of Prince William's preferred charities, Centrepoin, which strives to give homeless young people a future by offering support, shelter and training.

The donations – which will be matched pound for pound – can be made via donation boxes throughout the hotel and at the nearby Crowne Plaza London, Bistro 51 and The Hamptons Bar.
