HAND MADE CUBAN CIGARS

	Flavour	Each
Partagas Series D No 4	Full	14.00
<p>Full of the Partagas power that we all search for, in a format that just seems right. This Robusto, one of the top selling Havanas, is strong and full-bodied, exploring aromas of wood and spice in equal doses. Colorado to Maduro, but always constructed to perfection, this is a Cuban classic. A connoisseur's cigar!</p>		
Montecristo Edmundo	Full	16.50
<p>The aroma of this firm Habano, perfectly balanced with its characteristic medium to full flavour will arise even greater enthusiasm among the faithful smokers of the Montecristo brand. With its traditional and successful blend the cigar is now designed in a heavy ring gauge (52 ring gauge) and a suitable length for today's busy lifestyle (135 mm in the length).</p>		
Cohiba Siglo VI Tubos	Medium	31.50
<p>We see in this cigar all the efforts of Cohiba over the past few years, placing quality over quantity. This Corona Gorda improves in production every year. Wonderful construction permits for an excellent draw and a timely even burn. Flavours of sweet pepper, musk and precious wood come and go in a graceful ballet of aromas. Right to its culmination, the cigar remains smooth and round. This Siglo goes beautifully with Indian or Cajun flavours</p>		
Cohiba Siglo II Tubos	Medium	16.00
<p>A character amongst the Siglo family. This Petit Corona sometimes seems out of place amongst its illustrious brothers. But Cohiba have worked extra hard to give this feisty fellow a character all of its own. A wonderful silky, oily wrapper encompasses a cigar fired up with spicy, woody flavours masterly combined, which makes this little cigar a real treat to the senses</p>		
Romeo Y Julieta Short Churchill	Medium	15.00
<p>One of the leading lights of the Romeo y Julieta brand! This is a Churchill that redefines the concept of a 'creamy smoke'. Powerful and yet disarmingly smooth, you can only be seduced by this remarkable cigar. Winston Churchill was seduced, to the point of making it synonymous with his name! Robust and complex in its multitude of flavours which include vanilla, coffee, tropical fruit, wood, cocoa, nuts, herbs and flowers.</p>		
Petit Julietas	Medium	6.00
Cigarettes	Packet	7.00
