## SUMMER LOVING

Summertime pop-ups are more popular than ever this year.

Newcomers to the capital include **The Beach Bar at The Goring** (Beeston Place, SW1W 0JW), a cocktail joint based on Basil's Bar on the Caribbean island of Mustique, and **Dishoom's Chowpatty Beach** pop-up on the South Bank (extended until 4 October). They will join

established favourites

such as Little Venice's

**The Summerhouse** (60 Blomfield Road, W9 2PD; 020 7286 6752),

**The Courtyard at 51 Buckingham Gate**

(SW1E 6AF; 020 7769 7766)

and **The Serpentine Gin**

**Bar** in Hyde Park (Serpentine Road, W2 2UH; 020 7706

8114), which are all coming

out of hibernation for another

stint in the British sunshine.
